Subject: SMUD Cogeneration Pipeline Project (92-AFC-2PC)
Approval of Petition to Relocate 3,200-Foot Section of the SMUD
Cogeneration Pipeline

In accordance with the provisions of Title 20, California Code of Regulations, section 1769(a), California Energy Commission staff reviewed your petition received on July 30, 2007 requesting the relocation of a 3,200-foot section of the natural gas pipeline around the proposed Cosumnes River Boulevard interchange. Staff determined that the petition met the criteria of section 1769(a)(2) and mailed the "Notice of Insignificant Project Change" to the Energy Commission's post-certification project mailing list on August 22, 2007.

The Energy Commission did not receive any public comments regarding this requested project change within the 14-day public review period as specified in section 1769(a)(2). Therefore, your requested modification is approved.

If you have any questions, please call me at (916) 654-4228 or e-mail me at pdavid@energy.state.ca.us.

Sincerely,

Paula David
